

## Ngā Tūāpapa o te Pairuri Tāngata (Fundamentals of Palliative Care) programme

The Fundamentals of Palliative Care programme is designed for any healthcare worker, registered and non-registered staff caring for people with a palliative care need.

Being educated about palliative care will help you improve the assessment and outcomes for people in your care, their family and whanau, as well as yourself and other healthcare workers.

Hospice New Zealand, in collaboration with its member hospices is excited to offer the new Fundamentals of Palliative Care programme.

This is a blended programme consisting of online and face-to face (Zoom) workshops.

Please contact us for details about how to register for the online learning or visit the following website to enroll.
